SCIENTIFIC SESSIONS 2016

## Quick Start Guide

### Welcome to Scientific Sessions 2016!

With this handy reference, you can jumpstart your time at the conference. Inside, you'll find information about navigating Scientific Sessions 2016:

- Getting started
- Registration and exhibit hours
- What's new this year
- Shuttle information
- Networking opportunities
- Science & Technology Hall features

SCIENTIFIC SESSIONS: Nov. 12-16 | Exhibits: Nov. 13-15  
RESUSCITATION SCIENCE SYMPOSIUM: Nov. 12-14  
CARDIOVASCULAR NURSING CLINICAL SYMPOSIUM: Nov. 14-15

	REGISTRATION HOURS	SCIENCE & TECHNOLOGY HALL HOURS
Saturday, Nov. 12	7 a.m.-5:30 p.m.	
Sunday, Nov. 13	7 a.m.-6 p.m.	11 a.m.-6 p.m.
Monday, Nov. 14	7 a.m.-5:30 p.m.	10 a.m.-4:30 p.m.
Tuesday, Nov. 15	7:30 a.m.-5:30 p.m.	10 a.m.-3 p.m.
Wednesday, Nov. 16	7:30-1 p.m.	

Registration is located in Hall D, Level 1, of the Ernest N. Morial Convention Center. The Science & Technology Hall is located in Halls B-E.

# LEARNING AND NETWORKING

Aside from the excellent science and research available to you at Sessions, there are plenty of exciting learning opportunities in the Science & Technology Hall. Check your Planner for more complete details:

- Simulation Zone
  - Body Interact
  - Mechanical Circulatory Support
  - NEW! Transcatheter Aortic Valve Replacement
  - NEW! Vimedix
- Rapid-Fire Theaters
- Cardiovascular Expert Theaters

For targeted networking opportunities, check out:

- Community Central (Hall F) offers special areas for early career, members and – Fellow-in-Training. You can also find out how to become a member.
- EP Central (Booth 2355) for electrophysiologists
- Intervention Central (Booth 2951) for interventionalists
- Meet the Trialists (Booth 2851)

Refer to the Planner or Mobile Meeting Guide app for more information about receptions such as Celebrate Basic Science and the Abstract Submitter receptions as well as international joint sessions.

## RESOURCES TO HELP YOU NAVIGATE THE CONFERENCE

The **MOBILE MEETING GUIDE APP** is your source for: Instant access to all that Scientific Sessions has to offer, including educational sessions, ePosters, abstracts, faculty, event information, hotels, schedule planning and maps. Query big-name speakers live with the Social Q&A component, or view the interactive Science & Technology Hall map.

The **FINAL PROGRAM** is your source for: Comprehensive information about all Sessions 2016 programming, faculty, times and locations. Pick up your copy at Registration in Hall D.

The **SCIENCE & TECHNOLOGY HALL PLANNER** is your source for: Highlights of scientific planning, exhibitor and product category details, areas of interest (tracks) and specialty educational programming.

The **SESSIONS DAILY NEWSPAPER** is your source for: Live news about Scientific Sessions, including coverage of Late-Breaking Clinical Trials, special lectures and more.

The **SYMPOSIA LOCATOR MAP** is your source for: List of Unofficial Satellite Events with dates, times, locations and registration information.

The **POSTER HALL MAP** is your source for: Finding the six subject-related poster areas in the Science & Technology Hall and finding specific poster numbers and meeting with poster presenters and networking for poster professors.

## THIS WEEK'S MUST-SEE MAIN EVENTS

### SUNDAY

**1-3 p.m.**  
Opening Session OPS.01  
*Location: Main Event I*

**3:45-5 p.m.**  
Cardiac Regeneration — Where Are We Now? ME.01  
*Location: Main Event II*

**10:45 a.m.-Noon**  
From Precision to Population: Optimizing Outcomes in HF ME.12  
*Location: Main Event II*

**12:30-1:30 p.m.**  
Distinguished Scientist Lecture ME.13  
*Location: Main Event II*

**2-3:15 p.m.**  
Cardiology Practice in 2020: Sustainability Quality and Value ME.15  
*Location: Rooms 260-262*

### MONDAY

**9-10:18 a.m.**  
Precision Medicine 2016 ME.02  
*Location: Main Event I*

**10:45 a.m.-Noon**  
Changing Landscape of Acute Coronary Syndrome Care ME.05  
*Location: Main Event II*

**12:30-1:30 p.m.**  
Nobel Laureate Lecture ME.06  
*Location: Main Event II*

**2-3:15 p.m.**  
Frontiers in Heart Valve Disease ME.07  
*Location: Main Event II*

**2-3:15 p.m.**  
Life's Sort of Simple 7: Implementing Ideal CV Health Through the Lifespan ME.03  
*Location: Main Event I*

**3:45-5 p.m.**  
What Is the Role of PCSK9 Inhibitors in CV Prevention? ME.04  
*Location: Main Event I*

**2-3:15 p.m.**  
Maximizing PAD Outcomes in 2016 ME.14  
*Location: Main Event II*

**2-3:15 p.m.**  
New Approaches to Repair the Damaged Cardiovascular System ME.09  
*Location: Main Event I*

**3:45-5 p.m.**  
Dilemmas at the Forefront of Stable Ischemic Heart Disease Management ME.10  
*Location: Main Event I*

**3:45-5 p.m.**  
New and Future Treatments for Arrhythmias – TED-Style Talks ME.17  
*Location: Rooms 260-262*

### SUNDAY

**9-10:15 a.m.**  
Trending Topics in Clinical Science ME.18  
*Location: Great Hall A*

**9-10:15 a.m.**  
Trending Topics in Population Science ME.19  
*Location: Rivergate*

**10:45 a.m.-Noon**  
Trending Topics in Basic Science ME.20  
*Location: Rivergate*

### TUESDAY

**9-10:15 a.m.**  
Acute Pulmonary Embolism in 2016: The Challenge of Rapidly Shifting Paradigms ME.08  
*Location: Main Event I*

**9-10:15 a.m.**  
Atrial Fibrillation — Innovating to Improve Outcomes ME.11  
*Location: Main Event II*

**9-10:15 a.m.**  
Cardiovascular Disease and Health Disparities ME.16  
*Location: Rooms 260-262*
