The Association is not liable for any expenses that may be incurred if changes must be made to pieces that have already been produced prior to receiving approval.

Inserts are considered to be one 8-1/2" x 11" printed piece, with a maximum weight of 2 oz. Inserts not meeting that criteria are considered “bulk” items, and are subject to additional fees. This includes, but is not limited to, items such as product samples (bottles, bars or packets); non-perishable food items; branded materials; other giveaway items; printed materials that are packaged or of odd shapes and/or sizes; printed materials containing loose sheets and/or disclaimers; printed materials with promotional items attached; magazines, brochures or other multiple-page collateral pieces.

A $500 late fee will be charged for materials received after the deadline.

After your inserts are approved, ship them to be received by the materials deadline(s) above. Ascend Integrated Media will supply a shipping label with complete shipping information. The advertiser is asked to complete the supplied shipping label and place it on the outside of each box shipped. Please do not ship the full quantity to Ascend Integrated Media, or you may incur additional costs. The advertiser is responsible for sending the correct number of inserts. If materials are received by the printed deadline, Ascend Integrated Media will attempt to verify quantities received and notify advertisers of shortages. Ascend Integrated Media will not be responsible for shortages due to an incorrect number of inserts received. For Doctor's/Educator's Bags and Individual Door/Room Drop opportunities, please submit an additional 3% to 5% overage to allow for potential increase in room blocks.

**Please note the following criteria for approval:**

1. The AHA/ASA and/or event logo may not be used on ads or inserts.
2. All non-symposia advertising must contain the advertiser's booth number.
3. For CME/symposia/education related ads or inserts, the AHA/ASA disclaimer text must be a minimum of 10 point Helvetica (or similar font type). The AHA/ASA disclaimer text must say, “This event is not part of the official International Stroke Conference 2018 as planned by the International Stroke Conference Program Committee.” The disclaimer must be printed on the front of the piece.
4. For CME/symposia/education related event titles, the time and date appearing on the ad/insert must match the title, time and date listed on the USE-approved list provided to Ascend by AHA/ASA. If the event title, time and/or date do not match, Ascend will confirm with the advertiser which source lists the information correctly and make the appropriate changes. If information needs to be changed on the USE-approved list, the advertiser must contact AHA/ASA at exhibits@heart.org.
5. AHA/ASA's name, insignia, heart and torch logo, logotype or other identifying marks may not be used.
6. Exhibitors that are also USE event-holders may not advertise both their booth and their event in the same advertisement.
7. Coupons may not be included on inserts.
8. Please refer to the AHA/ASA International Stroke Conference website for advertising guidelines and restrictions: exhibitastroke.org
9. AHA/ASA at any point may not approve such marketing pieces at their own discretion.
