

American Heart Association®

Scientific Sessions

An **Experiential Addendum**
to the Scientific Sessions' Prospectus

The body's most important organ.
The industry's most important body.

**The perfect
opportunity to
appeal to both.**

**As the nation's oldest
and largest voluntary
organization dedicated
to cardiovascular health**

The American Heart Association is committed to fighting heart disease and stroke—the world's first-and fifth-leading causes of death.

With more than 33 million volunteers and 3,400 employees, no organization does more to be a relentless force for promoting longer and healthier lives.

American Heart Association members are at the forefront of cardiovascular and stroke health and wellbeing and the annual event, Scientific Sessions, is a critical component of that effort.

It's at Scientific Sessions that the world's leading thinkers and preeminent cardiovascular healthcare professionals convene to discuss, debate, and ultimately overcome the challenges of ridding the world of cardiovascular disease and stroke.

You know you're making a difference when one of the ROIs of your sponsorship is goosebumps.

It's a common response

that comes from knowing your brand is partnering with such a worthy cause and helping make a significant difference in cardiovascular care and health.

Scientific Sessions has been deliberately designed to facilitate meaningful interaction between attendees and your brand, giving you the opportunity to sponsor the very experiences that play a central role in setting the tone for the entire event.

It's a rare opportunity to meet your audience where they are, literally, increasing the visibility of your brand among an influential and high-profile audience of the world's top cardiovascular healthcare professionals. Professionals who have access to over 15 million patients a year.

From event transportation and the activity-filled Regiception to the Wellness Center and the Healthy Food Market, Scientific Sessions gives you the flexibility to prioritize quality engagement while fostering meaningful interaction between attendees and your brand.

It's a partnership that will help secure a place for your brand in the hearts and minds of the world's most preeminent cardiovascular healthcare professionals.

REGICEPTION

REGISTRATION + RECEPTION

Be at the forefront of an opening experience that integrates event registration with a reception, allowing attendees to check in, network, and engage in an on-arrival experience.

When you consider the time, energy, and resources that go into finding just the right media placement, the opportunity to have your brand front and center of the world's largest gathering of cardiovascular healthcare professionals makes a lot of sense. It's an opportunity not just to make a good first impression but a lasting one as well. After all, the Regiception is the one place where every attendee is certain to visit and the one touchpoint your brand can claim as its own.

Only one organization will be awarded this premium placement, so act fast. Because, as they say, you only get one chance to make a good first impression.

RIDE SHARE

Let your brand be the main transportation carrier throughout Scientific Sessions.

It goes without saying that every attendee of Scientific Sessions is going places. And you can help them get there.

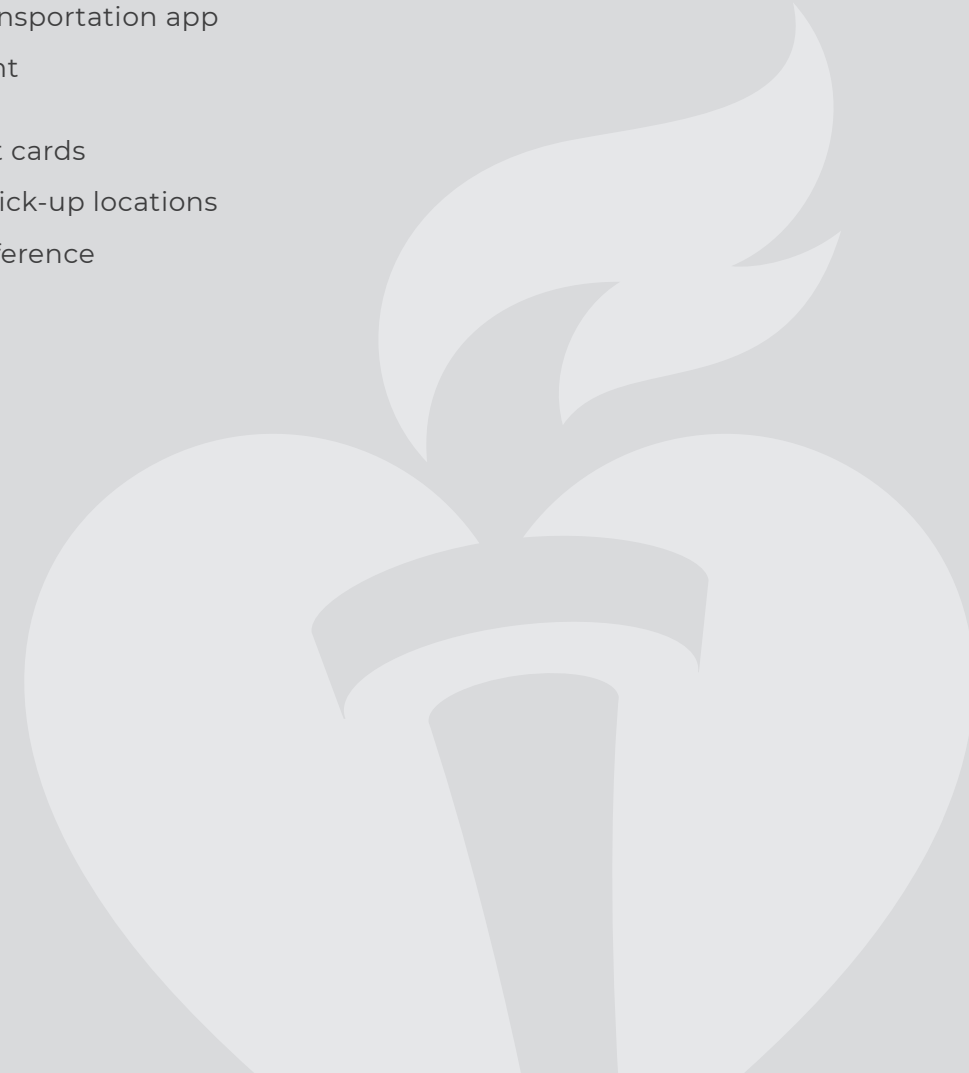

As the main provider of transportation for individuals and small groups, your brand will be uniquely positioned to drive traffic to your organization while reducing traffic on the streets of Philadelphia. Your brand will also be at the center of new connections between attendees as they carpool throughout Philadelphia.

Just think: being the main sponsor of Scientific Sessions transportation could give both your bottom-line and the world's most prominent cardiovascular healthcare professionals just the lift they need.

Sponsor Contribution (exclusive)

\$30,000

Sponsor Benefits Include:

- Branding included on customized transportation app
 - Logo featured prominently on all event transportation vehicles

DINE AROUND TOWN

Prearranged reservations at restaurants around Philadelphia allow you to connect with attendees in a more casual environment.

The buzz around town is that this could be the perfect opportunity to get your brand in front of the world's premier cardiovascular healthcare professionals as they convene at predetermined Philadelphia eateries to talk shop.

In addition to getting to enjoy a taste of Philadelphia's famous cuisine, attendees choose a topic of interest and join seven of their colleagues, a representative from your brand, and an industry facilitator for a deep dive into that topic.

This is your best opportunity to sponsor entire groups of Scientific Sessions attendees and take part in the conversation in a social, casual setting.

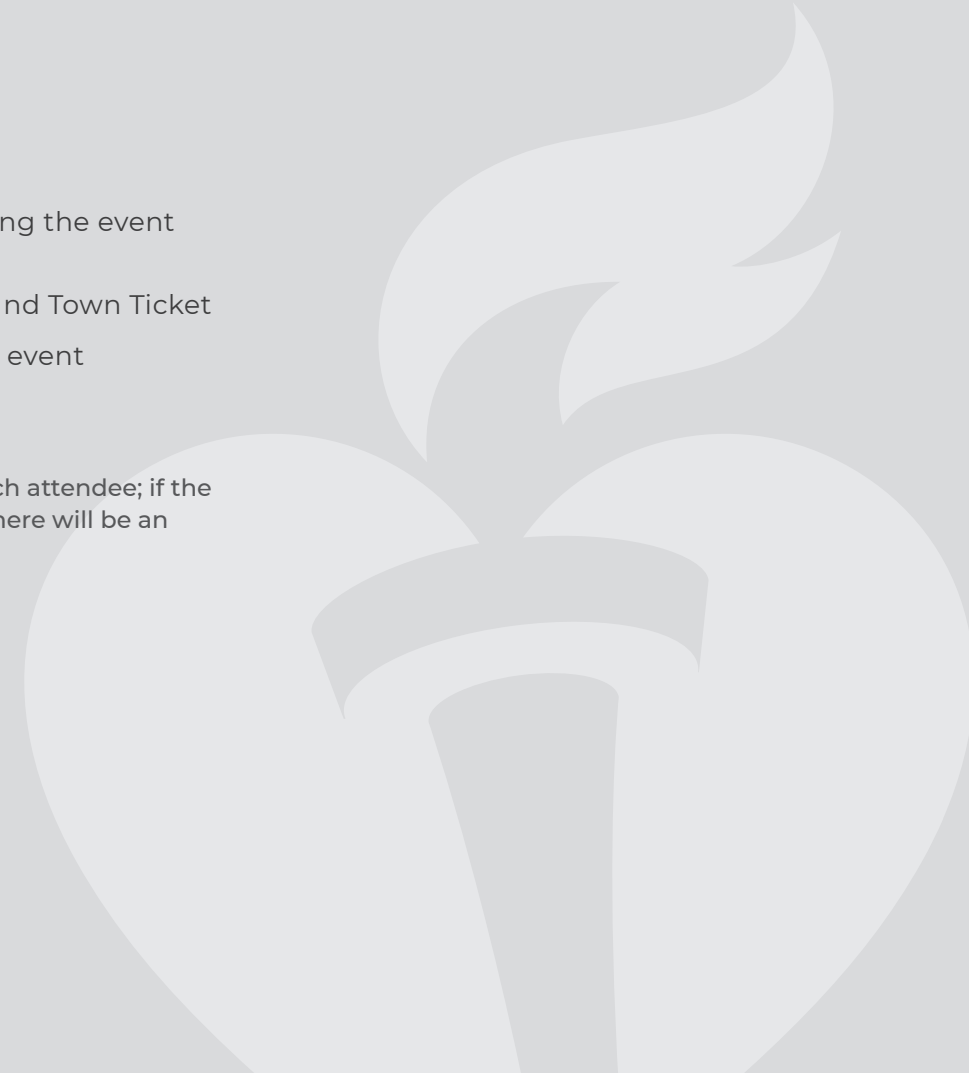

Sponsor Contribution (non-exclusive)

\$5,000

Sponsor Benefits Include:

- Sponsor participation in dinners
- Provided industry facilitator
- Pre-arranged dinner reservation

PUPPY SNUGGLES

(FEATURED IN THE WELLNESS CENTER)

Connect Scientific Sessions attendees with their best partner yet: a puppy!

The many health benefits of cuddling with puppies reads like the mouse-sized type on a prescription medicine bottle: reduces stress, alleviates loneliness, lowers blood pressure, improves mental health, and even reduces cholesterol.

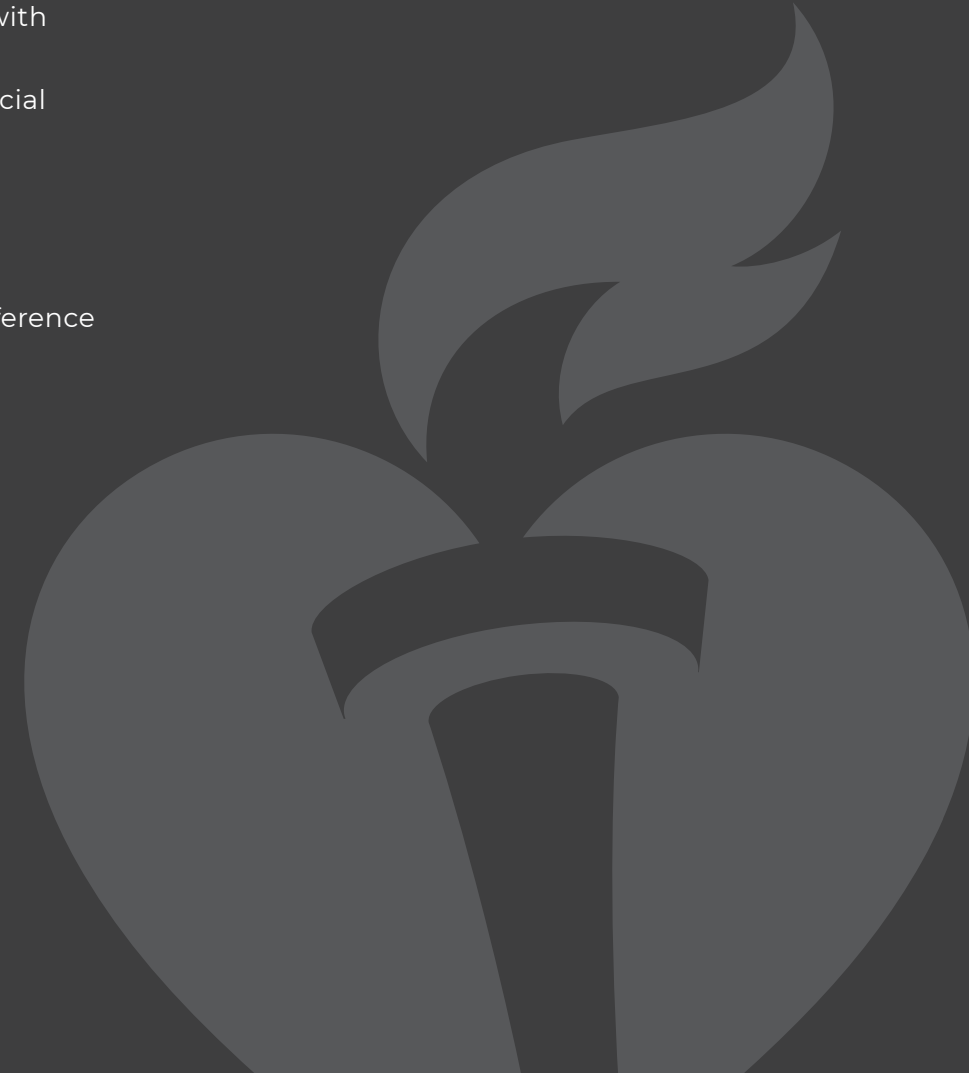

For marketing directors, it also has the added benefit of drawing crowds—big crowds with big hearts. Which is why you'll want to harness some of that puppy love for your brand by sponsoring Puppy Snuggles.

In addition to providing attendees with the ultimate stress and ice breaker, you'll be giving these adorable balls of fluff a shot at being adopted.

Sponsor Contribution (exclusive)

\$25,000
