

ReSS at Sessions

**Held in conjunction with
AHA Scientific Sessions 2022!**

Nov. 4-6, 2022 | Chicago, IL
Hyatt Regency

Resuscitation Science 2022 will focus on increasing understanding of the shared pathophysiology between cardiac arrest and traumatic injury at multiple levels of biological organization. ReSS will provide a unique opportunity for transdisciplinary interactions that rapidly translate advances in the resuscitation field from fundamental to translational to clinical to population science.
