Vascular Discovery: From Genes to Medicine 2022

May 12-14, 2022 | Seattle, WA
Sheraton Grand Seattle

Sponsored and organized by the AHA Councils on Arteriosclerosis, Thrombosis and Vascular Biology and Peripheral Vascular Disease, and in collaboration with the AHA Council on Genomic and Precision Medicine, the meeting will provide unique opportunities to meet with colleagues from around the world with wide-ranging research interests and expertise for the timely exchange of information about new and emerging scientific research in the areas of arteriosclerosis, thrombosis, vascular biology, peripheral vascular disease, genomics and precision medicine.

Rates
Industry: $2,000
Non-profit: $750
