McCormick Place Convention Center
#AHA22
Exhibit at Scientific Sessions 2022

Let our exhibitors tell you why...

“That center section drew a number of attendees into the hall and kept them there almost to the very end!”

“Our Learning Studio was standing room only again this year.”

“We plan to keep Sessions in our schedule every year. The attendees we see here are high-level decision makers.”

“AHA has delivered again and we will be back for Scientific Sessions next year. Great conference.”

The majority of Scientific Sessions exhibitors say they are satisfied with their ability to:

- Educate attendees on their products and services
- Build brand awareness

96% of 2019 in-person exhibitors were repeat exhibitors.

Health and safety protocols will be updated at exhibitatsessions.org.

Science & Technology Hall: A top attendee destination

Scientific Sessions’ attendees know where to find the education and networking they crave – in the Science & Technology Hall! AHA employs a proven strategy to ensure that cardiovascular professional attendance in the exhibit hall is strong.

- **More than 20 hours of exhibit time** – 11.5 hours with limited simultaneous educational programming to increase traffic. Virtual exhibits are always open!

- **Complimentary coffee breaks** in the Hall

- **Rapid-Fire Forums**, located in each poster area, draw attendees in for original science presentations and interactions with abstract authors.

- **An extensive marketing campaign** promotes the Hall before and during Scientific Sessions, including an Attendee Welcome Guide that reaches attendees at their hotels.

- **Posters** integrated into the Science & Technology Hall, bringing traffic to the exhibit floor.

- **VIP passes** are available for your customers to see the Science & Technology Hall.

### The Heart Hub

The pulse of the Science & Technology Hall! Both official and industry-supported programming are featured in the Heart Hub, drawing attendees in to engage with all the Hall has to offer, with all proper safety precautions.

Programming includes:

- Roundtables
- Health Innovation Pavilion
- Networking Lounges
- Simulation Demonstrations
- Learning Studios
- AHA HeartQuarters

82% of attendees rate the Heart Hub “good” or “excellent”*

Cancellation schedule

Through April 8, 2022
AHA retains 50% of contracted space fees

Beginning April 9, 2022
AHA retains 100% of contracted space fees

AHA requires a 50% deposit before exhibit space will be confirmed. Cancellation or space reduction will result in a 50% penalty. The cancellation policy can be found in the AHA Scientific Conferences Rules & Regulations at exhibitatsessions.org and is a legally binding part of the exhibit space application/contract.

Exhibitor eligibility, space assignment process and priority point schedule are all part of the AHA Scientific Conferences Rules & Regulations. For more information and to apply for space, visit exhibitatsessions.org.

---

Should it be necessary for the safety of our members and industry supporters to cancel the in-person portion of Scientific Sessions 2022, the virtual component will be held as planned on the same dates as originally scheduled. Industry supporters will be financially responsible for fees and commitments associated with their virtual exhibit space, which includes the cost for the entry-level booth ($3,800) incorporated into the physical booth package. All confirmed exhibitors (including those with fees already paid to AHA for physical booths) will be offered the following solutions:
1. Defer payment to Scientific Sessions 2023 (15 priority points);
2. Donate the payment to the American Heart Association (30 priority points);
3. Transfer funds to virtual conference opportunities, which can include sponsorships or exhibit space upgrades;
4. A refund of the physical booth fees less the entry-level virtual booth fee ($3,800) incorporated into the physical booth package.
