Science & Technology Hall: What the buzz is all about

Innovation Zone includes interactive displays with technologically advanced, immersive training for attendees.

An extensive marketing campaign promotes the Science & Technology Hall to attendees before and during the event.

VIP passes (distributed by you) encourage your customers to visit the Science & Technology Hall.

Dedicated exhibit hours give you direct access to more than 4,600 stroke health care professionals.

HeadQuarters

The pulse of the Science & Technology Hall!
HeadQuarters draws attendees in to engage with all the Hall has to offer.

Educational programming in the Science & Technology Hall focuses on the latest in stroke and cerebrovascular medicine and treatment. Poster and Moderated Poster presentations take place adjacent to the Hall, while additional education programming takes place within the Hall and in HeadQuarters.

Learning Studios inside the Science & Technology Hall present the latest advances in stroke and cerebrovascular product and therapeutic treatments, with complimentary snacks and lunches provided for attendees by the American Heart Association/ American Stroke Association (AHA/ASA).

16 dedicated hours to visit exhibitors in the Science & Technology Hall, including time with limited simultaneous educational programming to increase traffic.
