Science & Technology Hall:

Your gateway to targeted engagement

Innovation Zone includes interactive displays with technologically advanced, immersive training for attendees.

An extensive marketing campaign promotes the Science & Technology Hall to attendees before and during the event.

VIP passes (distributed by you) encourage your customers to visit the Science & Technology Hall.

Dedicated exhibit hours give you direct access to thousands of stroke health care professionals.

Educational programming in the Science & Technology Hall focuses on the latest in stroke and cerebrovascular medicine and treatment. Poster and Moderated Poster presentations take place adjacent to the Hall, while additional educational programming takes place within the Hall and in HeadQuarters.

Learning Studios inside the Science & Technology Hall present the latest advances in stroke and cerebrovascular product and therapeutic treatments, with complimentary snacks and lunches provided for attendees by the American Stroke Association.

14 dedicated hours to visit exhibitors in the Science & Technology Hall, including time with limited simultaneous educational programming to increase traffic.

HeadQuarters

The Science & Technology Hall's energy starts here! HeadQuarters draws attendees in to engage with all the Hall has to offer.
