Scientific Sessions

BUSINESS SUITE UPGRADE OPTIONS

Freeman offers full service solutions to upgrade your business suite with graphics, custom furniture, audio visual services and more.

For additional information, contact: Cassidy.Bodne@freeman.com

Interior and Exterior Wall Graphics

Freeman can provide large custom graphics for the exterior or interior of your Business Suite. Leverage these walls to stand out and tell your brand story.

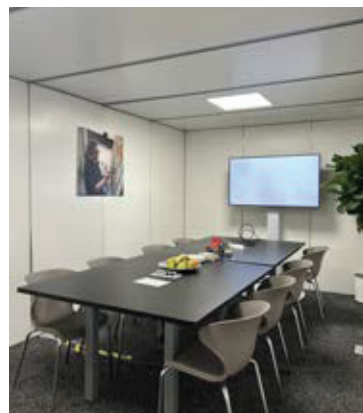

Audio Visual

We offer small and large AV monitors to support your presentation requirements. Freeman can provide custom LED, lighting designs, digital displays, and sound for your business suite.

Ceiling Addition

Add a ceiling to your business suite with built-in lighting and ventilation. This will provide a private atmosphere for the meetings held within the room.
